DIRECTORY OF SUBSIDIARIES

FOR SHARING AND EXTERNAL USE

SOUTH KOREA

Date

March 2025

TABLE OF CONTENTS

1. Preface	2
2. List of Subsidiaries	3

1. PREFACE

The Embassy of Denmark in Korea has compiled the Official Directory of Danish Companies, which are directly represented in South Korea, in response to numerous inquiries about Danish companies and products in South Korea. The directory includes Subsidiaries and Joint Ventures.

Please note that the directory is not exhaustive, partially because certain companies have decided not to participate. However, we try to update and add new companies to the directory continuously.

Furthermore, be aware that the information found in the directory has been provided by the companies themselves either through individual responses or websites, for which reason we cannot be held liable for any errors, omissions or misleading statements and neither can we accept responsibility in regard to the standing of any firms, companies or individuals mentioned in the directory. In case you have any updates/corrections to the directory, we would appreciate if you email joacfi@um.dk.

Finally, we ask all recipients to use the directory with discretion and stress that it is only for private use and that any distribution is unlawful.
